Drop The Rock by Willy Kelly

I don’t, own you woman, I can’t, tie you down
I can’t stop you baby from, running ‘round
I don’t own you woman, I can’t, tie you down...
But I don’t need this heartache, I’m freedom bound

I can’t hang the moon or make the sun go down
I can’t change your mind from churning ‘round and ‘round
I don’t hang the moon, or make the sun go down
I just live today, I’m freedom bound… time to,

Drop the rock, don't let it take you under , time to
Drop the rock, don't let it pull you down, time to
Drop the rock, Don’t let it take you down!...

I don’t, own you woman, I can’t, tie you down
I can’t stop you baby from, running ‘round
I don’t own you woman, I can’t, tie you down...
But I don’t need this heartache, I’m freedom bound
But I don’t need this heartache, I’m freedom bound
But I don’t need this heartache, I’m freedom bound
