Eyes On the Prize (Find You A Love) by Willy Kelly

Verse 1:

I've heard love will endure, ...
But some days I'm not sure..,
If faith or the world will win.

Refrain:

So eyes on the prize and don't compromise
When you're offered a deal that's too good to be true
Eyes on the prize. Tell me no lies
You will find you a deal that will work out for you...
You will find you love that will work out for you...

Verse 2:

I am trying to live in the sun...
While Crazy is out for a run...
And lonely just ain't that fun...

Refrain:

Bridge:

Joy walks her dog near the forest,... looking for memories to share
Hope shares lunch with a lost soul,... looking for friendship to share
Faith finds a boat named "Have Fun", deserted by a pond,... looking for adventures to share
Love walks the path alone with joy and hope and faith sharing every day...

Verse 3:
I'm walking with Joy by my side
With Hope my eyes open wide
While Faith, lifts my every stride...

Refrain:

Chorus:

Look for love in your art, See the best when you start
Leave your best, do your part, Pray for peace in your heart

Call & Response:

Share the love, (love in our art...)
Share some peace, (as we start...)
Take the wheel, (we do our part...)

End Chorus:

(voices gradually fading...)
Share the love,... share the peace...
(we do our part)
Share the love,... share the peace...
Share the love,... share the peace...

(Accapella)
Share the love,... share the peace...
