Forever On by Willy Kelly

Verse 1:

Mama said "that girl's no good"
Daddy said, "you're gonna get burned if you, Play with fire"...
Aw but I know she's the one that I desire,

ForeverOn, Forever On...

Verse 2:

My friends say, "she'll break my heart,
the way she likes to runaround town, shes way too wild..."
Aw but i know another side and she says she's mine

Forever On, Forever On

Bridge:

I just wanna find true love
I just wanna girl thats mine
I just wanna find true love...

Verse 3:

Day by day the years pass by
And with practice we learn to love and
laugh and cry…

Two people can walk the line and
Not know why…

I gotta know that faith and love are the
Ties that bind,

Forever On… Forever On,... Forever (On)
